Request for Reconsideration of Petition Under 37 CFR 1.47(a)

To Whom It May Concern:

In response to the Decision Refusing Status Under 37 CFR 1.47(a) we are forwarding the declaration signed by the inventor, Luigina Tagliavacca, which she had signed on December 12, 2001. At the time of the submission of our petition we did not have the declaration in our possession. Apparently Ms. Tagliavacca had signed the papers, but left for a trip to the United States before she mailed them.

It is respectfully requested that the signed declaration be accepted at this time and that the above-identified application be accepted for further prosecution.

Respectfully submitted,

Michael F. Fedrick
